Dear BANB7 Community,

I would like to use the last newsletter of the term to congratulate our community for contributing to another really successful term of learning. Most of the conversations I have with children, parents, staff (and visitors) is overwhelmingly positive and highlights the great learning opportunities and collaborative / team orientated aspects of our school.

Some indicators and observations of this include...

A strong sense of Belonging –

- Harmony Day with the community picnic and siblings spending time together.
- Young Leaders and mentors for children.
- Children in the Pre School making connections.
- Team Time in the Recreation Centre fortnightly.
- Belonging Being Becoming Program (see display in Library)

Respectful and trusting Relationships –

- Children, Parents and Learning Advisors in new studio groups making a great start to 2017
- Safe and supportive learning environments
- Learning together in Neighbourhoods.

Engaging learning opportunities (for Children & Adults) –

- Dedicated, innovative and tireless Learning Advisors from Birth to Year 7
- Pre-schoolers seeing themselves as learners
- High energy levels of learners across B - 7
- Children using 'Natural Maths'
- The SAKG program
- S.T.E.M. and links to Roma Mitchell Secondary College
- Many Excursions & Incursions
- Bringing Up Great Kids workshops for parents in the Children's Centre
- Peer Parent support in the Kindy.
- High participation level in the Sporting Schools program
- Behaviour Education through the Reconnect Room
