As part of the DECD Innovation Schools project BANB7 are offering full days in exploring ‘Whole School and Pedagogical Change’ & ‘Continuity of Learning in the Early Years’

Whole School and Pedagogical Change

BANB7 has deliberately moved away from a traditional model of schooling. Through our professional learning community we are inquiring into ways of utilising the environment as the third teacher; personalising learning and the use of 21st Century multi modal digital tools. The focus will be on Whole School and Pedagogical change Birth -Year 7.
